Strati-Flighted Open Events are divided: A/X (5000+/0-5000); separate from B/C/D (1500-3000, 750-1500, 0-750). Strata breaks for stratified events are A (3000+), B (750-3000), C (0-750). ## Entry fees

Players *must* be ACBL members whose service fees or dues are current in order to compete in any of the following nationally ranked events:

Grand National Teams (Championship Flight), von Zedtwitz Life Master Pairs, Spingold Knockout Teams, Wagar Women's Knockout Teams, Truscott USPC Senior Swiss Teams, Wernher Open Pairs, NABC+ Fast Pairs, Chicago Mixed Board-A-Match Teams and the Open Swiss Teams. The entry fees for these contests are **\$20** per player per session.

Players must also be current ACBL members to play in the National 199er Pairs, the Grand National Teams (Flights A, B & C), the 0-5000 and 0-1500 Mini-Spingold Knockouts, the Bruce LM-5000 Pairs and the Young LM-1500 Pairs. The entry fee is **\$17** per player per session.

Regional championships are **\$16** per player per session for ACBL members, **\$18** for non-members.

All other events are **\$15** per player per session for ACBL members, **\$17** for non-members.

## Alerts and Announcements

When using bid boxes, ACBL suggests that players tap the Alert strip and say “Alert” at the same time.

When making an Announcement, use the Announcement word — such as “transfer” — and tap the Alert strip at the same time.

A player who Alerts or Announces a bid should make sure his opponents are aware that an Alert or Announcement has been made.

## Monitoring

At this and future North American Championships, ACBL will be monitoring NABC+ events with visible, real-time cameras. The images will be recorded and will be available for later official inspection and review.

By general monitoring of the session and participants' behavior, ACBL has another source of information that may be useful in determining facts and settling issues arising from some types of ethical and behavioral complaints or actions. Please summon a director if a problem occurs at the table.

This procedure is intended to assure everyone that the playing field is level and that misbehavior will not be tolerated.

## Electronic Device Policy

### 1. For all NABC+ rated events at NABCs:

Electronic devices, including but not limited to, phones, cameras, PDAs, and others capable of sending or receiving electronic communication are excluded from the playing areas during any session of play. This does not apply to health-related equipment.

### 2. For all events at an NABC other than a

**NABC+ rated event:** Except for health-related equipment, or by permission of the Director-in-Charge of the tournament, cell phones, audible pagers or similar equipment may not be operated or operable in any manner in the playing area during a session of play. Any such equipment must not be visible during the session. Sponsoring organizations of other ACBL-sanctioned events are encouraged to adopt a similar policy.

3. The restrictions in numbers 1 and 2 apply to all pairs, team members, captains, coaches, play recorders (except those designated by ACBL) and kibitzers and are in force throughout any actual playing session or segment of play.

4. A violation of any of the restrictions in numbers 1 and 2 will result in a disciplinary penalty of one full board (12 IMPs at that form of scoring) for the first offense. A second offense will result in disqualification from the event for the pair/team. Kibitzers violating this policy will be removed from the playing area for the remainder of the session.

## Convention card reminder

Each player is required to have a convention card filled out legibly and on the table throughout a session. Both cards of a partnership must be identical and include the first and last names of each partner.

If a director determines that neither player has a substantially completed card, the partnership may play only the Standard American Yellow Card and may use only standard carding. This restriction may be lifted only at the beginning of a subsequent round after convention cards have been properly prepared and approved by the

director. Further, the partnership will receive a 1/6-board matchpoint penalty for each board played, commencing with the next round and continuing until the restriction is lifted. In IMP team games, penalties shall be at the discretion of the director.

If the director determines the partnership has at least one substantially completed convention card but has not fully complied with ACBL regulations, the director may give warnings or assign such penalties as he deems to be appropriate under the circumstances.
